

FALL RENDEZVOUS 2015 GANGES

It's a good thing we bought those tents!! Because once again the weather was perfect the whole weekend. Which in turn seemed to bring more people to the docks to view the boats on Saturday afternoon.

A big thank you to all those that helped the boats tie up and to Salt Spring Harbour Authority for hosting us once more. We had 36 boats attending and crew from another 10 boats attended also.

Bonnie Beck from Dynasty manned the apparel table and we thank her for doing that job.

The pot luck, as usual, was wonderful. It's hard to believe that there can be so many good dishes and without duplicates. The Barley Brothers provided some foot-tapping music both before and after dinner while people lingered on the docks to enjoy the good weather.

The luck of the draw gave 'Lady Allysha' the honour of being the sail past vessel and 'Herself' was selected as the leading vessel.

Paul and I watched from the shore as we were staying in Ganges Sunday night and it was quite a spectacle to see the boats parading by as someone on shore played a trumpet salute to all the boats.
