

Vessel Name: **SANDAVORE**

Year Built: **1963**

Builder: **Wahl Shipyards**

Location: **Prince Rupert, BC**

Length: **42'0"**

Draft: **6'6"**

Beam: **12'1"**

Owners/Crew: **ERIC & ORA PETERSEN**

Home Port: **LA CONNER MARINA, WA**

Vessel History: *Previously owned and extensively renovated by Alan Dickinson. A Gardner 6L W locomotive engine was entirely rebuilt as was the Capital transmission.*

She has a round bilged, full displacement hull, long line trawler carvel fir planking over bent oak frames. The side planking is painted and the fore and aft decks bright finished. The fish hold was converted to accommodation and enclosed head. The conversion wood work was done by Jespersen Boat Builder in Sidney, BC.

We bought "Sandavore" in January 2020 from Alan Dickinson and consider ourselves caretakers of this beautiful example of a traditional fishing boat.

Cruising Area: *Pacific North West*
